## Genetic Counseling Graduate Program

Applicant Name:

Match Number:

UAGCGP PREREQUISITE	COURSE NUMBER AND TITLE	SEMESTER COMPLETED	GRADE
<i>Example:</i> 1 semester of psychology	<i>Example:</i> PSY 101: Introduction to Psychology	<i>Example:</i> Fall 2020	<i>Example:</i> A
1 <sup>st</sup> semester of biology			
2 <sup>nd</sup> semester of biology			
1 semester of chemistry			
1 semester of biochemistry			
1 semester of genetics			
1 semester of statistics			
1 semester of psychology*			
1 additional semester of psychology*, sociology, and/or public health			

All prerequisite courses must be completed by the end of fall semester of the year applications are submitted. If grades from any prerequisite courses are not included in your submitted transcript(s), please forward grades from these courses as soon as they are available. It is your responsibility to request your transcripts at the end of the term, and then email them to [gcgpinfo@arizona.edu](mailto:gcgpinfo@arizona.edu) so they will be included for review by the admissions committee.

**The deadline for accepting grades is January 9, 2026.** If grades are missing for any prerequisite course, your application is considered incomplete and will not be evaluated.

**\*Psychology:** To meet this requirement, applicants must have taken a course that explores history, concepts, theories, perspectives, findings, and trends in the field of human psychology. This might include consciousness, memory, human development, learning, emotion, self and personality, abnormal and/or social psychology. This list is not exhaustive. *Note: Comparative psychology and other psychology courses related to non-human behavior are not accepted for this prerequisite.*
